Vision Statement

It is the vision of the Bible Department that every student who attends MCS will be reconciled to God and spends eternity in heaven. It is also the vision that each student's life on earth will be abundant and lived in service to God and to his fellow man.

Mission Statement

The mission of the Bible Department is to teach the truth concerning God's love, man's sinful state and God's plan to redeem man through the life, death and resurrection of His Son, Jesus Christ. The mission of the Bible Department coincides with the mission of Mobile Christian School to help students grow in the ways in which Jesus grew (Luke 2:52):

- Mentally - By stimulating their minds with challenging Bible instruction (II Timothy 2:15)
- Morally - By affirming to them that there is an infallible guide, the Bible (II Timothy 3:16-17)
- Physically - By instilling biblical principles in their minds concerning the care of their bodies (I Corinthians 6:19-20)
- Spiritually - By teaching God's word, for "faith comes by hearing, and hearing by the word of God" (Romans 10:17)

- Year 2- "What do I believe?" First semester deals with Israel as they developed their beliefs in God's Law (Ezekiel through Judges) - Second semester is concerned with how the young church clarified its beliefs. (Acts, Romans, and Galatians)
- Year 3- A study of Israel and the growing new church reveals God's word regarding the question – "How do I get along?" First semester- (I Samuel through I Kings) - Second semester- I&II Corinthians, Ephesians, II Thessalonians
- Year 4- We answer "Where do I fit in?" as we study Israel and the maturing church First semester- (II Kings through Nehemiah) - Second semester - I Timothy through Revelation

Character First ENGAGE Curriculum - ENGAGE is a research based anti-bullying curriculum that recognizes bullying as a symptom of a deeper problem. ENGAGE is a curriculum with its roots deep in God's teachings found in the Bible. It is partially based on tenets of developmental psychology that includes educational theory and the real life experience of administrators, teachers, students, and parents. It seeks to identify, prevent, and respond to bullying.

The goals of ENGAGE are:

- Participants will recognize the underlying causes for bully behavior
- Students learn how to respond to bullying
- Students experience fewer incidents of aggressive behavior
- Teachers experience fewer classroom disruptions
- Parents feel better about how their students are treated at school
- Students achievements increases because of a safer learning environment
