Relay for Life

The MCS Leopards Relay for Life team will be raising money this week by selling suns and moons. The sun is used to represent a cancer survivor and the moon in memory of those who have lost their fight.

These suns and moons will be attached to the front windows of the gym to spell out the word HOPE. Hope is what the American Cancer Society provides to those fighting this dreadful disease. Researchers believe that in the lifetime of our students a cure will be found.

All are invited to the South Mobile Relay for Life at Theodore High School. We will be on the football field May 30 from 4:00-10:00pm. Please come out and support this great cause.

***The suns and moons will sell for \$.50 each. Please see a team member to purchase yours.**

NEW UNIFORMS

As we have announced, Zoghby's Uniforms is our new uniform company for next year. All students will be required to wear the new uniform for next year. The blazers for grades 6-12, the white oxford shirts for grades 6-12, and the shoes that are currently being worn will be able to be worn next year. All other items (other than socks and shoes) will need to be purchased from Zoghby's. Socks and shoes can be purchased at Zoghby's or other places. There is a new shoe option for girls in grades 6-12. Students will not be allowed to wear same or similar items from any other provider. We have been very pleased with the customer service and prices of Zoghby's. **Uniforms are on sale for a special 10% discount during April 25-30.** We do encourage as many as possible to preorder or do layaway during that week. All plaid items do need to be ordered by June 1 to ensure delivery before school starts.
