Counselors Corner

**Please make sure I have copies of college acceptance letters (even to places the student will not be attending) so we know where our students are applying and are most interested in.*

**I also need copies of any scholarship offers. (again, even those the student will not be accepting). Emails are fine, but I need the actual offer, not just telling me they got an offer, please.*

**Students should be completing service hours and turning those sheets in. Remember this is a graduation requirement.*

**Pen-Air Credit Union is offering scholarships to students who are members. Deadline is March 31. Visit Penair.org for more info.*

**Potential Magazine has an online site on which they list scholarship opportunities.potentialmagazine.com*

SUMMER SCRUBS

Summer Scrubs applications are now available! Summer Scrubs is a three-day career shadowing opportunity for current 11th grade students in Mobile and Baldwin counties who want to explore careers in healthcare. Students must be scheduled to graduate in 2018 to participate. The dates of the Summer Scrubs event will be July 18-20, 2017. Please note that this year's event will be a three-day commitment, rather than a four-day commitment as it has been in the past. **Students must submit the application (includes a short essay) and two teacher recommendations by March 10th.**

To make the collection process easier, we have opened up the Google Forms of the application and teacher recommendation sheet. **Please direct students and teachers to www.summerscrubs.com for these items and for more information.** I have also attached a flyer to market the program and application process. If you have any further questions, please let me know.

Thank you,

Emily McGrath
