“Vision 2020 Student Day of Giving”

Tuesday, February 5, 2019

This is a special day for our students K3-12th grades to raise money for our new elementary building.

Our goal is to have 100% participation! This building is the biggest addition to our campus in our 58 year history.

The students that give will have an opportunity to sign their name to one of the steel beams that will be used in the building. Parents, please prayerfully consider letting your child be a part of this historic event and give on February 5th!
