**\*This year we ask that all lunches be ordered online and they must be ordered by 7:30 am each morning. Thank you! ☺**

- Due to factors outside of our control, the **rSchoolToday** app is unavailable at this time
- FACTS (RenWeb) has now developed an app for MCS that will provide COVID screening for our students. It is currently undergoing final touches and should be ready in the near future
- We want parents to screen their children daily using the following questions
- **The questions that are asked each day:**

1. Do you have a fever equal to or greater than 100.4?
2. Do you have a headache?
3. Do you have a sore throat?
4. Do you have a sudden loss of taste or smell?
5. Do you have a cough?
6. Do you have shortness of breath?
7. Do you have muscle aches?
8. Do you have nausea?
9. Do you have vomiting or diarrhea?
10. Have you been tested for COVID19 and are awaiting test results?

**If your child answers yes** to any of the screening questions, please keep your child at home for the day and call the school to report the results. You do not have to call the school if your child answers no to all of the questions.
