Valedictorian and Salutatorian

Valedictorian for the class of 2015 is **Amanda Hall**. Amanda is the daughter of Theodore and Patricia Hall. She is a sister to Margie, Teddy and Anthony (2013) Hall. Amanda has participated in Cross Country, Track, Soccer, Key Club

(Service Club) and Robotics. She has served as Vice President for the Student Government Association and Treasurer for both the National Honor Society and Senior Class. She has attend MCS since 4th grade.

Amanda has been selected as a cadet for the U.S. Military Academy at West Point, New York. She says she think MCS is unique in many ways, but one is that the school emphasizes service work.

The Salutatorian is **Matt Vo**. He has attended MCS since 5th grade. He is the son of

Son and Ngoc Vo. He has four siblings: Michael (2011), Mickey (2013), Maxwell and Madisen. He has been a member of the Service Club, Yearbook, Fellowship of Christian Standards, National Honor Society and Math Club (Mu Alpha Theta).

Matt plans to attend the University of South Alabama and pursue a degree in Chemical Engineering. He says he has enjoyed chapel and his teachers while attending MCS.

We wish these two scholars from the class of 2015 the best and know that they will be a blessing where ever they go.

PTFA's Wild West Family Night

Our 10th annual Jubilee was held May 9th. It's normally put on in the gymnasium of our school but this year it was a little different. This year it was on our football field and it was geared more to a "family" night. It was called WILD WEST FAMILY NIGHT. We wanted something for the entire family to enjoy. We had our Live and Silent Auction items, a come and go barbecue dinner and games like tug of war, horseshoes, sack races, horse roping, real pony rides and even bull riding for the kids to enjoy while parents enjoyed fellowship with other MCS parents. We had so many people comment on how wonderful it was. The event raised \$20,000.00. We could not have done it without all the parents help. Congratulations to **Amy Melton** on being named Volunteer of the year for MCS this year. She has always gone the second mile for MCS.

Bible Times Day

Once again MCS third graders participated in Bible Times Day and learned about the style of dress and culture of the period.

The Mobile Leadership Series

The "Bone Collector" visited Mobile this past February. Mike Waddell, Nick Mundt, T- Bone, and Randall Waddell of the Outdoor Channel's hit reality TV show "Bone Collector" were our guest speakers for the 2nd annual Mobile Leadership Series Dinner. The evening was catered by our friends at Kraver's seafood and was very delicious! The guys entertained the audience with their hunting and fishing stories and then wrapped up the evening by serving as auctioneers to raise money for our live auction. The group was engaged with the audience from the start to finish and even stuck around after everything was over giving autographs and taking pictures with fans. Mobile Leadership Series was founded by the Mobile Christian School's Board of Trustees in 2013 to recognize that strong families and strong education are critical to our community. It is the MLS mission to motivate and challenge our local businesses and civic leaders to support opportunities for improvement in our families and schools.

Teachers of the Year

The Elementary School Teacher of the Year is Mrs. **Bre (Black) Yravedra**. She has taught K5 for two years. She is an MCS graduate from the class of 1999. She received a degree in Elementary Education from the University of South Alabama. She previously taught in the Mobile County Public School System.

Mrs. Yravedra's husband is Adam, class of 1997, and they have three children: Averie and Haley in second grade and Taylor Grayce in K3. She said of receiving the award, "I was speechless. This is such an honor. I am truly humbled by this recognition." Mrs. Yravedra is widely

known for her considerate spirit.

Anita Presley was recognized as the Secondary Teacher of the Year. Mrs. Presley has been at MCS for 13 years. She is married to Chris, class of 1983. They have three girls: Andrea, class of 2010; Ali, class of 2013 and Ashleigh class of 2015. She has taught middle school English and sponsored both the Yearbook and the Senior Class. She is a graduate of Faulkner University with a degree in English.. Mrs. Presley said, "I am thankful for the teachers and administrators of the past and present who have thought enough of me to allow me to do the thing I love every work day. They have all helped me so much, so this recognition from them means all the more."

Unfortunately for us, Mrs. Presley is retiring this year. She will be greatly missed. We wish Mrs. Presley and Mrs. Yravedra the best just as they have given their best to our students at Mobile Christian.

The men's and women's track teams both had very successful seasons. In the post season, both teams won the 2A Section 1 championship. The boys team finished 7th at the state meet, while the girl's team finished 4th. Devin Curry came in 2nd place in the High Jump and Triple Jump. (Continued, p. 7)

Bible Time

Sunrise, Sunset – Congratulations Class of 2015

*Is this the little girl I carried? Is
this the little boy at play?
I don't remember growing older.
When did they?*

*When did she get to be a beauty?
When did he get to be so tall?
Wasn't it yesterday when they
were small?*

*Sunrise, sunset, sunrise, sunset.
Swiftly flow the days.
Seedlings turn overnight to sun-
flowers. Blossoming even as we
gaze.*

*Sunrise, sunset, Sunrise, sunset.
Swiftly fly the years.
One season following another
laden with happiness and
tears.*

The lyrics listed above are the opening words of the song sung at the wedding ceremony of Tzeitel and Motel in "The Fiddler on the Roof." These lyrics express the emotions of their parents and other adults from their village in attendance at the wedding.

I share those emotions as I look at the pictures in hallway of the members of the Class of '15 from our spiritual family – our village – here at Mobile Christian School. Are these the little children in kindergarten with their jaws puffed out as they walked silently in neat single file to the library? Are these the elementary kids playing with all of their energy on the playground? Are these the little

ones whose biggest care was nap time and lunch rather than research papers and final exams? When did these girls get to be beauties? When did these boys grow to become tall, strong men? ***I don't remember growing older. When did they? Swiftly fly the years.***

The years do fly by swiftly. Each year at this time I become more aware of that fact. I am reminded of what James wrote about the brevity of life in the latter part of James 4:14: ***What is your life? For you are a mist that appears for a little time and then vanishes.***

How can we as parents and grandparents make the most of the short-lived time we have with our children in the home? What can we as teachers and mentors at school do to teach our children during the swiftly flowing days when they are most easily taught? Each moment, each day is valuable. ***What words of wisdom can we give them? How can we help to ease their way?***

Tim Elmore recently posted a blog in which he listed **five messages children need to hear in the first decade of their life.** These are :
1. You are loved; 2. You are unique; 3. You have gifts; 4. You are safe; 5. You are valuable.

He also listed **five messages every adolescent must understand before leaving home.** These are: **1. Life is difficult; 2. You are not in control; 3. You are not that important; 4. You are going to die; 5. Your life is not about you.** When these messages are understood and believed at the proper age, our children can confidently launch into the future and achieve success in their life. They will be motivated by a meaningful purpose in life. They will not be so fragile as to be shattered with their first failed effort. They will not experience debilitating fear and anxiety in the face of daily challenges.

The same messages must be heard and understood by Christians as we mature from spiritual babes who have been born again to mature disciples who have allowed Christ to become the Lord of our life. We must believe that: **1. I am loved unconditionally – John 3:16; 2. I am unique – Romans 12:4; 3. I have gifts – Romans 12 6-8; I Corinthians 12:7; 4. I am safe – Psalms 91:4; 5. I am valuable – I Corinthians 6:20.**

Knowledge of these messages gives us confidence and security in our faith. In addition, we must understand that life will not always be a stroll through a rose garden. We must also believe that: **1. Life is difficult – James 1:2-4; 2. I am not in control – I Chronicles 29:10-12; Job 1:21-22; 3. I am not that important in the big picture of the world – Psalms 103:14-16; 4. I am going to die – Ecclesiastes 8:8; Hebrews 9:27; 5. My life is not about me – Matthew 5:16; Philippians 2:3-7.**

One awesome day in the future, there will be no more sunrise, sunset. No one will grow old. We will enjoy just one eternal day laden with happiness but with no tears as we live with Christ and God in Heaven. Take advantage of your precious opportunities this week to love, teach, and mentor our young.

Class of 2015, we pray that you will love God with all of your being, and seek His kingdom and His righteousness first in your life. ***One season following another laden with happiness and tears.*** We love you.
