UNIVERSITY OF ALABAMA

○ ACADEMIC ELITE SCHOLARSHIPS FOR 2016-2017

To be considered for the Academic Elite Scholarships, a student must be accepted as a member of the University Fellows Experience. The student must maintain membership in the UFE to continue holding an Academic Elite Scholarship. Complete information on the UFE can be found on the [University Fellows website](#).

There are typically eight to ten of these scholarships offered each year. The pool of eligible applicants ranges from 900 to 1,000 students.

Academic Elite Scholarship recipients typically receive:

- The value of tuition in-state or out-of-state for 4 years
- One year of on-campus housing at regular room rate* (based on assignment by Housing and Residential Communities)
- iPad

ELIGIBILITY FOR THE UNIVERSITY FELLOWS EXPERIENCE

A student with an ACT score of 32 or an SAT score of 1400 (critical reading and math scores only) and a high school GPA of 3.8 who is accepted into UA will be eligible to complete [the University Fellows Experience application](#).

Applicants must first complete the [Honors College application](#), and then must complete the UFE application.

A student eligible for the Honors College (ACT of 28 or SAT of 1250 and high school GPA of 3.5) may be nominated for consideration by a high school representative or a UA faculty member. The [online nomination form](#) (including the student's full contact information and letter of recommendation) must be completed by a high school representative or UA faculty member. The deadline for nominations is **December 1**.

MERIT SCHOLARSHIPS

Academic scholarships are awarded on the basis of GPA from high school and/or ACT or SAT national test scores (for SAT tests, combined Critical Reading and Math scores). No ACT or SAT residual score can be used to establish scholarship eligibility. In order to receive an offer of academic scholarship money, the following forms must be submitted to the Office of Admissions:

1. Completed application for Admissions
2. A three-year transcript from high school
3. National ACT or SAT test score (No residual scores)

Academic scholarships begin at the 2.25 GPA level and a 19 ACT (910 SAT; combined Critical Reading and Math scores). Anyone admitted to FHU on restriction will not be able to receive an academic scholarship their first year. These scholarships are awarded on a first-come, first-served basis. Preference will be given to those that submit their required forms early. Early awarding begins in August or September of the senior year of high school. First-time Freshmen and students who transfer fewer than 30 hours(not including dual enrolled, CLEP, or AP hours) must maintain at least a 2.75 cumulative GPA during the first academic year to maintain merit scholarship money. Scholarships are renewable each year for upperclassmen and students who transfer more than 30 hours or more provided the student maintains a 3.0 cumulative GPA, not including AP, IP, and CLEP credits. The student's college cumulative GPA is reviewed after each semester.

TRUSTEES' SCHOLARSHIP

The Trustees' Scholarship, which is our largest award, is \$8,750 each semester for a full-time student taking courses in the spring or fall semesters or \$500 per credit hour for courses taken during the summer semester or during two-week courses taken in January or August. The Trustees' Scholarship is awarded to incoming freshmen who have a minimum high school GPA of 3.75 or higher and have a minimum national ACT composite score of 30 (1330 SAT; Critical Reading and Math scores ONLY). The Trustees' scholarship will be applied up to 126 hours, provided the student maintains a 3.4 college cumulative GPA (not including AB, IB, and CLEP credits) that is reviewed at the end of every semester. The required forms (application for Admissions, 3-year transcript, and ACT/SAT test scores) must be submitted to the Office of Admissions. Students receiving this award must live in university housing or a lesser award will be given.

NATIONAL MERIT FINALISTS

Students receiving this honor will receive the Trustees' scholarship. To receive this scholarship please send your official report to the Office of Admissions by March 1st. Students awarded this scholarship will maintain a 3.4 cumulative GPA (not including AB, IB, and CLEP credits) that will be reviewed at the end of every semester. Students receiving this award must also live in university housing or a lesser award will be given. National Merit Semi Finalist will receive special consideration for the highest general academic scholarship.

ENDOWED SCHOLARSHIPS

Endowed scholarships are available and awards are given based on criteria designated by the donor. All students are automatically considered for Endowed Scholarships. There is not an additional application process for these scholarships. Endowed Scholarships' purpose is to support merit awards and do not stack on top of merit awards. Amounts and recipients of these awards will not necessarily be the same from year to year. Some of the endowed scholarships are need-based as well. The Office of Student Financial Services will match students to endowed awards based on the criteria specified by the donor. To be eligible for the Endowed Scholarships, the FAFSA must be completed.

LADS TO LEADERS/LEADERETTES SCHOLARSHIPS

The Office of Financial Aid receives the list of possible recipients from Lads to Leaders headquarters usually in the spring semester of the students that have completed the Lads to Leaders Scholarship Application and have listed FHU as a top choice of college. The university will award the scholarship and notify the student of the award when they receive his/her financial aid award package. Financial aid award packages are sent out once the FAFSA is filed online at www.fafsa.ed.gov. Students must maintain a 2.5 GPA and it will be renewed at the end of every spring semester. Recipients must be enrolled full-time.

FHU ASSOCIATES ENDOWED SCHOLARSHIP

The Freed-Hardeman Associates is a women's organization designed to support and encourage Christian education at Freed-Hardeman University. As an endowed Scholarship, the FHU Associates' Scholarship's purpose is to support Merit Awards, so this scholarship does not stack on top of the Merit Awards. To apply for this scholarship an application needs to be completed. Please download and complete the application: [Associates Endowed Scholarship Application & Criteria](#).

OUTSIDE SCHOLARSHIPS

There are several outside scholarships out there that you can apply for. Outside scholarship checks and notification should be mailed to the Office of Financial Aid. Scholarship links listed on the [Financial Aid Links page](#) are from scholarships that we have researched and some that our students have received in the past.

DISCOUNTS

In addition to scholarships, the following two discounts are available from the University: K-12 Christian School Faculty/Staff Discount, and Christian College Faculty/Staff Discount. All discounts are limited to 126 hours of course work.

A tuition discount of \$2,500 per full-time semester is awarded to dependent children of full-time employees of any K-12 Christian school associated with the churches of Christ. This, along with other institutional aid cannot exceed \$8,750 per semester. The tuition discount is \$120 per credit hour for summer courses and two-week courses offered in August and January. The K-12 Christian School Faculty/Staff Discount is capped at 126 credit hours. The [Christian School Discount Form](#) must be completed and signed by the employee's school, certifying the parent is a full-time employee. The deadline for this form is July 1st.

Christian College Discount - A tuition discount \$5,000 per full-time semester is awarded to dependent students whose parents are full-time employees of the following Christian Universities: Abilene Christian University, Lipscomb University, Faulkner University, Harding University, Lubbock Christian University, Oklahoma Christian University, Ohio Valley University, and Pepperdine University. Parents must remain full-time employees for the student to receive this discount. This, along with other institutional aid, cannot exceed \$8,750 per semester. The tuition discount is \$240 per credit hour for summer courses and two-week courses offered in August and January. The Christian College Discount is capped at 126 credit hours. The Christian School Discount Form must be completed and signed by the Administration of the college, certifying that the parent is a full-time employee. The deadline for this form is July 1.

Christian Ministers Discount - Awarded to selected full-time, first-time students (minimum of 12 hours) who are children of full-time Church of Christ pulpit or youth ministers. Full-time means a 40 hour per week paid position. Excludes those that are "vocational" ministers. Ministers must have been employed full-time as a minister at least five years prior to receiving the discount. The Christian Ministers Discount Form must be completed and signed by two elders of the respective congregation. The form must be submitted to the Office of Student Financial Services by July 1. Effective Fall 2015, new undergraduate (freshman or transfer, age 23 and younger) students will receive up to a \$2,500 tuition discount per semester. Since FHU has no added fees as do other Christian universities, the discount may be combined with an academic scholarship but may not exceed \$8,750 per semester. The student must live on-campus, meaning they live in University housing and participate in a meal plan. Graduate students are not eligible.

FHU CHURCH MATCH SCHOLARSHIP PROGRAM

The FHU Church Scholarship Match Program will match any scholarship awarded by a church of Christ to an incoming freshman or transfer student for the 2016 spring semester or the 2016 - 2017 academic year, up to a total of \$2,500 a year.

This award is applicable only to the comprehensive charge (\$21,500 for 2016-2017). If a combination of this award and any other scholarship or discount exceeds the cost of the comprehensive charge at FHU (Henderson), this award may be reduced or cancelled. The maximum amount that a student can receive in the FHU Church Scholarship Match Award is \$2,500. If a student receives more than \$2,500 in church scholarships, the FHU Church Scholarship Match Award will not exceed \$2,500.

The student must continue to receive a church scholarship equal to or greater than the matching award, take at least 12 hours each semester and maintain at least a 2.75 cumulative GPA during the first academic year, and at least a 3.0 cumulative GPA each year thereafter.

Continuing Students

Lipscomb students can renew the scholarships they receive at entry. However, superior academic performance at Lipscomb does not allow for an increase in the award. You must retain a cumulative 3.0 to renew your scholarships. All Lipscomb University academic scholarships are valid up to 126 attempted hours. From time to time, exceptions to the 126 hour rule will be made for students who have unusual or extenuating circumstances, so students will need to contact the financial aid office when they approach 126 hours.

Regular Undergraduate students who do not enter with an Academic Scholarship may be awarded according to the transfer scale after earning at least 24 hours at Lipscomb. When aid has been lost due to cumulative GPA and/or other probation issues, it can be reinstated once the student raises their GPA or resolves their probation issues.

**Lipscomb's [Direct Cost Policy](#) could result in a change in scholarship amount for some students. Please review our policy and contact the Financial Aid Office with any questions.
