Mobile, AL 36609

The Class of 2024: (in alphabetical order) Kaidence Adams-Burchfield, Natalie Armour, Brock Armstrong, Bowen Baggett, Sean Bean, Grant Belote, Alex Bennett, Jolie Bishop, Cole Blackwell, Kaylee Bonasera, Caroline Booker, Chloe Booker, Reagan Burch, Diego Camboia, Chandler Carpenter, Caron Cooper, Bethany Davidson, Alex Day, Hannah Duncan, Connor Eubanks, Bryson Fillingim, Kayman Gibbons, Gamail Harris, Kennedy Holifield, Asher Irvin, Branden Irwin, Ellie Jones, Brevia Kibet, Jasiah Laurent, Camden Lawson, Camryn Lawson, Kathy Le, Aidan Love, Chamberlyn MacIver, Seth McGaughy, Zach McKinion, Raegan Mesco, Michael Moore, Jackson Mosley, Mia Neil, Brett Norton, Addy Oliver, Tyler Payne, Quraun Prince, Kristen Rachel, Tomas Rebollo, Ella Roberts, Aaron Rogers, Reid Schmitz, Walker Seaman, Marissa Seymour, Morgan Sims, Emily Smith, Alex Smith, Myla Stewart, Braylen Sullivan, Bradley Tanner, Ryan Tsun, Gavin Weinshenker, Jordan Woullard.

Valedictorian is Ariana Sprinkle and Salutatorian is Madison Byrd

The Valedictorian for the class of 2024 is **Ariana Sprinkle**. Ariana is the daughter of Megan and William Sprinkle. She attends Friendship Baptist Church. She has attended Mobile Christian for 13 years. Ariana is an integral part of the school's track and field team where she participates in pole vault and javelin. She currently holds the indoor state record for pole vault. She is a member of the National Honor Society, Mu Alpha Theta Math Club and served as the Senior Class President. She was voted most intelligent and most talented by her classmates. She was awarded the Sharon Donaldson Award, Dual Enrollment Biology Award, Dual Enrollment English Award, Honors Government Award and the President's Education Award. She received a track scholarship to Spring Hill College where she plans to attend and major in Political Science. Ariana says she is, "so appreciative of what MCS has given me!"

Madison Byrd is the 2024 Salutatorian. She is the daughter of Connie Byrd, Harrison Garner and Howard Byrd. She attends Lighthouse Baptist Church. She serves on the City of Mobile Youth Advisor Board. Madison is a member of National Honor Society, Mu Alpha Theta, Senior Class Officer, Girls for Christ, Service Club. She has received the following awards: Most Likely to Succeed, Homecoming Queen, American Foundational Leadership Award, Dual Enrollment U.S. History award and the ACT Prep Award. She is also a cheerleader, Azalea Trail Maid and has attended MCS for 13 years. Madison plans to attend the University of South Alabama and obtain a degree in chemical engineering. When asked about her time at MCS she said, "I am so

grateful to MCS for the opportunities given to me and I look forward to watching the school develop in the years to come! Go Leopards!"

Considering Value

Saturday mornings are a delicacy that everyone enjoys differently. Many like to use their day off to go to the beach or the golf course, others sleep in, and some take a morning jog. However, there are a few people out there, like myself, who like to wake up at the crack of dawn every Saturday and go to yard sales. I love going to yard sales. It is possible that the yard sale genetics were passed down from my grandfather or maybe I just watched too many episodes of American Pickers on the History Channel growing up, but I cannot get enough of it. One reason I love yard sales is because you never know what you are going to find. The options are always changing. The other factor that keeps me interested is that you can make a nice profit off of someone else's stuff. I like this aspect of it a lot! Typically, if someone is having a yard sale, they usually do not care too much about what they are selling, or how much they are selling it for, they just want to get rid of it. That is where I come in; I am happy to purchase your old purse, shoes, or baby carrier for what you are asking for it, and then I will also happily go sell it online to someone else for cheaper than the retailers, granting myself a small profit. Everyone wins! However, for this fun hobby of mine to be done properly, I have to

consider the value of the item I am buying. Sometimes the internet can be a huge help for figuring out information about an item, but not every item's value can be found. Knowing the value will determine if I have a big score, or if I am going to waste money on something that turns out to be worthless. Considering the value is THE most important part of the process.

One way I attempt to grow my knowledge of items is by watching the show, Antique Roadshows. And before you think it: No, I am not in my late 70s. I am just a 26-year-old who finds old stuff fascinating. In one episode, there was a particular item that was shown in Tucson, AZ in 2001 that I found to be extremely intriguing. A man by the name of Ted brought in what he suspected to be an old Navajo blanket to get appraised. It turned out to be a bit more than that. It was actually a "Navajo Ute First Phase Blanket, ca. 1850." Because of the age, rarity, and condition of this item, a value was given of \$350,000 - \$500,000. This completely blew Ted away. He commented that he just had it sitting on the back of a chair in his home. Ted was completely unaware of the value of this incredibly rare blanket that he had in his possession.

The Bible speaks about value on numerous occasions, but the area where this idea is expressed the most is concerning the value of humanity to God.

Matthew 6:26 says, "Look at the birds of the air: they neither sow nor reap nor gather into barns, and yet your heavenly Father feeds them. Are you not of more value than they?"

Isaiah 43:4 states, "Since you are precious and honored in my sight, and because I love you, I will give people in exchange for you, nations in exchange for your life."

These are just two of the hundreds of verses that communicate our tremendous value to God. We are not ordinary like any old, regular blanket. We were created by the hands of God himself! Satan and the world around us do a great job of teaching us to compare ourselves with others and to find our value in things that do not matter in the grand scheme. We store up treasures on Earth so that we can feel valuable to those around us. However, if we are doing this, it is because we have forgotten what we are worth. When we consider God and His Word we are reminded every day that we are of the utmost value to the Creator, Himself.

A more recent appraisal was done on the First Phase Navajo blanket in 2021 declaring its value to be between \$1.5 - \$2 Million. Ted no longer has this piece of art sitting on the back of a chair, as it was purchased by an anonymous buyer and displayed in the Detroit Museum for a while. The blanket did not ever change its colors, textures, or anything else from its journey of laying on a chair to being in the museum, people just became aware of its value. When we are put down by others or around individuals who don't consider our value, it is easy to feel like we are not worth much. But that does not change our actual value.

I hope you are always aware of your value to God. The ultimate price was paid because God considered you worth the great cost of Jesus' sacrifice on the cross. That is the amount of consideration, love, and value that God has for you. He watched His own Son be tortured, mocked, and killed. I am sure that wasn't easy, but it is something that was done, and it was done with you in mind. God has never questioned the cost and knew from the beginning of time that was your worth. You are that valuable to God. Live your life with the enlightenment of your worth. Consider your value.

Bible Times Day

Homecoming 2023

In our yearly fall tradition, Mobile Christian students, teachers, and alumni look forward to Homecoming Week. To get into the spirit of Homecoming, high school grades earned points each day through participating in dress-out days, making a class flag, and winning Homecoming grade games. To start the week off, the SGA helped students, and even faculty members, stay involved with dress-out days, which included Dream Job Day, Soccer Mom vs. BBQ Day, Decades Day, Class Colors Day, and rounded out the week with Blue and Gold Day. Each day, the SGA officers and members selected the winning costumes and honorable mentions. Also, as a part of the Homecoming Week fun, MCS hosted ninth through twelfth grade games after school. On Monday, high school teams gave it their all in dodgeball. Tuesday, they battled it out in basketball. Continuing a long-standing MCS tradition, the SGA hosted the annual Student-Faculty Volleyball Tournament on Thursday. This year had several tight matches, but the Faculty team ultimately came out victorious over the Senior team. Thursday evening, the MCS cheerleaders, Leo the Leopard, and the Spirit of MCS band held a spectacular blackout pep rally that kept everyone on their feet to the very end. For the MCS Homecoming court, each high school class selected homecoming maids to represent them. For the morning court presentation, each maid selected a Mobile Christian student as her escort. The Freshman maids were Molly Chandler Diamond (escorted by Brayden Page) and Hadley Kelly (escorted by Landon Stewart). The Sophomore maids were Allison Thierry (escorted by Dylan Bowden) and Zoe Zavros (escorted by Jason Todd II). The Junior maids were Anna Claire Robin (escorted by Nicklaus Allen) and Emily Smith (escorted by Caleb Lastorka). The Senior maids were Madison Byrd (escorted by Tomas Rebollo), Marissa Seymour (escorted by Walker Seaman), and Morgan Sims (escorted by Gavin Weinshenker). This year's flower girl and crown bearer were first graders Logan Brooke Redd and Grayson Barnes. The morning and halftime Homecoming court presentations were emceed by SGA President Braylen Sullivan. At Friday morning's court presentation, SGA Vice President Kentonio Kelly presented Jay Powell (Class of 1997) with the 2023 Alumnus of the Year Award, and Joey Adams presented Senior Camden Lawson with the Harrison Leff Heart of a

2023 Homecoming Queen
Madison Byrd

Camden Lawson was recognized with the "Harrison Leff Heart of a Leopard Award"

Homecoming Court 2023

Jay Powell named Alumnus of the Year

The Student Government Association selected **Jay Powell** as this year's Alumnus of the Year recipient. Nominations are taken from alumni, teachers, families and friends of MCS. A committee then selects from the nominees.

This year's recipient is a 1997 graduate who attended MCS from K4-12th grade. During his senior year, he was a member of the 1997 AISA State Championship Baseball Team, and received the MVP Award for the championship game. He received a baseball scholarship to the University of South Alabama where he graduated with a Bachelor of Science degree. He is currently an Account Executive for Aveanna Hospice.

Powell has served MCS in many ways, and he is always willing to help out around campus. He actively participates in a wide array of activities which include fundraisers, class parties, track meets, and football games, and he does it all with a smile. People have said of Jay, "he often volunteers his time as a coach and supports the Leopards every opportunity he gets." "He is a great promoter of MCS and is always involved in school", and "having four kids and one graduate of MCS, he is very appreciative to any and all who support our students at MCS".

He is married to Lindsay and they have five children: Kylie, a 2023 graduate; Bryson, a current senior; Hayes a 7th grader; Tori 6th grader, and Michael, a 4th grader. Thank you Jay Powell for all you have done and continue to do to advance the mission of MCS.

New Teachers

Angie Bacon teaches 5th grade Math and Science. She is a graduate of USA and Spring Hill College with a BS and a Master's Degree in Elementary Education.

Josh Fields teaches middle and high school Bible and Chorus. He has a degree in Instrumental Music Education from Harding University.

Julia Grace Redd teaches 5th grade Language Arts, Bible and Social Studies. She has a Elementary Education degree from Spring Hill College.

Devin Curry teaches 9-12th grade Bible and is a graduate of MCS and the University of Mobile where he received a degree in Business Administration.

Shila Gilbert teaches 8th and 10th grade Math. She has a Bachelors in Chemical Engineering from Auburn. Masters in Bioengineering from Clemson and a Masters in Secondary Education From USA

Missy Sexton is co-teaching Spanish 1 & 2 with Nelly Eddleman. She has a degree in Elementary Education.

Terri Dawson teaches 2nd grade and hold a degree from Troy State University.

Nancy Lenoir teaches 11th grade American Literature. She has a B.A. from David Lipscomb and an MA from the University of New Orleans.

Jeremy Sigle teaches high school boys Bible. He holds a Bachelors and Masters degrees in Biblical Studies.

Nelly Eddleman teaches Spanish. She was born in Peru. She attended university in Lima.

Hunter Preston is teaching Chemistry, Human Anatomy and Physiology and Dual Enrollment Chemistry. He holds a Biology degree from Columbus University.

Robin Speese teaches 3rd grade. She holds a M.Ed. in Elementary Education from USA

1st Grade Famous Americans Day

A Message from the Head of School

Mobile Christian Family,

With each Spring we see new life and new growth all around us. On campus, it is a busy time of year. Within the last few weeks our classes have had parties and field trips, senior traditions and graduation ceremonies, state championship events, concerts and shows, and much more. There is a buzz amongst our students and teachers as summer break draws ever closer. It is at this time of year that it seems appropriate to look back at all of the great things that have happened at Mobile Christian School over the last school year.

Just as the large oak trees on campus, our school continues to grow. This year we saw some impressive improvements across the school. Our Enrichment building has continued to grow and improve with a new roof, windows, and interior work. It has become the perfect place for our new MCS Intermediate School that will include our 5th and 6th grade students and teachers. This new program will ensure that students who attend MCS in these grades are truly prepared for the changes and challenges that await them in middle and high school. New LED lights have been installed at all of our ball fields and Lamar Harrison Stadium has become one of the premier playing surfaces in the Mobile area after installation of new artificial turf. Our playground has been relocated in an area that is closer and safer for our elementary students to access each day. These and many other improvements have all taken place in the span of a year! It is our desire and hope to continue to build and improve our physical campus to provide the very best for our students in every way possible.

It was another year of great academic growth and success. Our students saw test scores rise through rigorous classroom and tutoring opportunities. Mobile Christian School is home to Ethan Spottswood, the Mobile County Spelling Bee Champion! We were able to provide additional and more unique classroom opportunities for our students across the board. Our dual-enrollment offerings expanded to include over 35+ hours worth of college credit available to students who spend their high school careers at Mobile Christian School. Once again our senior class had a 100% graduation rate. Not only that, but 100% of them were accepted into college and received college scholarships. The total amount that this class received is already over \$8,750,000. That is an average of over \$140,000 worth of scholarships for each individual recipient.

These were not the only major accomplishments throughout the year, however. Our fall started off with a lot of fun being able to watch the 3A State Runner-Up Volleyball compete for a state championship in Birmingham. Not long after that we got to see our varsity football team bring home Mobile Christian's first AHSAA 3A State Championship trophy by defeating Madison Academy at Bryant-Denny Stadium in Tuscaloosa, Alabama. The spring season was similar with our baseball team again making the state championship round in Jacksonville, Alabama but this time in the 5A classification and bringing home the State Runner-Up trophy. Our girls' golf team also made it all the way to the state championship match in Muscle Shoals, Alabama and brought home the school's first 3A State Runner-Up trophy. Sprinkled throughout all of these seasons we had many seniors that signed scholarships with various colleges and universities both near and far to continue their athletic and academic careers. This year included a lot of travel and fun games.

While it has been a great year, we look forward to what comes next. Our growth does not end here. We strive to press on and continue to be the very best for our students past, present, and future. It is a great time to be a leopard at Mobile Christian School. We are incredibly thankful for all of our family members, friends, loved ones, alumni, neighbors, and more who have continued to support and make sure that our school is a great place for all. We covet your continued prayers and support as we fervently seek to prepare our students for LIFE.

Prayerfully,
Clint Mitchell
Head of School

Mr. and Miss MCS

Mr. MCS is **Aidan Love**. He is the son of Jessica and Stan Love. He was a member of National Honor Society, Mu Alpha Theta, Art Club and the Robotic Club. He attends Creekwood Church of Christ and has worked with "Meals on Wheels." He plans to attend Florida Southern College. Aidan said of being selected Mr. MCS, "I loved this school. I can thank my friends, family and faculty for my achievements. You've changed my life."

Miss MCS is **Ariana Sprinkle**. See page 1, "Valedictorian" for more.

The Yearbook staff chose to dedicate the 2023-2024 Yearbook to our school counselors, **Shay Moore** and **Britney Mitchell**.

Teachers of the Year

Hunter Preston is this year's Secondary Teacher of the Year. Coach Preston started at MCS this year after leaving professional basketball. He holds an AA degree in Biology, BA in Biology from Columbus University. He is completing a MS in Secondary Education with emphasis in Biology. He said his favorite thing about teaching is interacting with students and building relationships with them. He said the most surprising thing about teaching is how much you learn about yourself from the students. When he was asked about to reflect upon receiving the award, he said, "I could not have done this without the Christ-centered advice and guidance that I received from other teachers. Glory to the most high God."

Coach Preston teaches Chemistry, Human Anatomy and Physiology and served as the Assistant Basketball coach for 2023-2024.

Terri Dawson is this year's Elementary Teacher of the Year. She has two children Colby (29) and Madylin (16). This is her first year at MCS but she has 29 years of experience. Mrs. Dawson teaches 2nd grade and frequently tells her students that they are their best teacher. She only provides them with the tools they need to learn and to be successful. It's up to them to use those tools. She said her favorite thing about teaching was building relationships with her students and their families. When asked about teaching in general, she said, "I have learned that "old school" teaching is still the best. I think that is so cool"

Mrs. Dawson responded that she is honored to be so recognized by her fellow teachers with this award. She stated that she has to give kudos to her 2nd graders as they are an amazing group!

Congratulations to Hunter Preston and Terri Dawson as this year's Teachers of the Year!
