Valedictorian and Salutatorian

Barton Erwin named Valedictorian and Mr. MCS. **Belle Elizabeth Fant** is Salutatorian and Miss MCS.

Barton is the son of Mark and Silvia Erwin. He has attended Mobile Christian since K4. He has served as SGA president and vice president and has been the anchor for MCSNews his senior year. He received the DAR Good Citizenship Award. He has earned several awards for his participation in Track and Cross Country. He was All-State Cross Country for 2019 and 2020 and All County for the same years. He was Optimist Club Runner of the Week and received the McCoy Outdoors Cross Country Runner of the Week recognition in 2019. Barton's main events are the 1600 and 3200km runs, which he has dominated for the last two seasons. Barton has excelled in the classroom and on the field and is known for his wit and humor. He has received a scholarship from Harding University where he plans to major in Biology (Pre-Med).

Formula for Success in College

"This book of the law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it; for then you will make your way prosperous, and then you will have success. ⁹ Have I not commanded you? Be strong and courageous! Do not tremble or be dismayed, for the LORD your God is with you wherever you go." Joshua 1:8-9

There are a lot of changes and a lot of extra work going on this time of the year for a certain group of people. Members of the Class of 2021 are making a transition. Some are moving to a new city. Some are moving from home to a new residence. Some are staying at home but still face a major change in their lives. This is a great time of excitement, adventure, and challenges for those who are starting a new phase of extending their education in their pursuit of a degree, certification, or a career. The high school years are vanishing slowly in the rear view mirror. Higher education is approaching rapidly in the windshield. Some have enjoyed great success in their high school careers. Now college or other training presents new opportunities for success on a larger scale. Success in high school does not always guarantee success in higher education. The gap between the challenges of higher education and the challenges encountered in high school is significant regardless of how large your high school was or how demanding your classes in high school were. Success in higher education requires several different components. These include the following.

Intellectual maturity is necessary. This includes knowledge for sure. More importantly this means that you have the ability to learn and add to your knowledge. This requires that you are motivated to work at learning. This good work ethic must be coupled with work skills.

Emotional maturity is a must. This begins with a strong self-identity, and knowing who you are. This maturity is the foundation to knowing how to get along with other people. This helps you develop soft skills that teach you how to deal with disappointments and failures but also how to deal with success.

Character maturity is vital. This means being able to define clearly stated values by which you will live your life. These are things you will never do or that you will always do. Strong character provides the discipline to live by those values. You have the courage to do what is right when the pressure to do what is wrong is being applied. You have the strength to do what is right even if no one else can see what you do. You have the power to persevere and never ring the quit bell.

Spiritual maturity is essential. Spiritual maturity empowers you to know that apart from Christ you can do nothing that is meaningful. **John 15:5**. You understand that your purpose in life is all about God – not you. **Romans 11:36**. You understand that because of sin, you must spiritually die and be born again. **Romans 6:3-11**. You recognize that when you do this, Christ lives in you. **Galatians 2:20**. You are aware of the fact that you can do all things through Christ. **Philippians 4:13**. You value the fact that Jesus will never leave you. **Matthew 28:20**. You know where blessedness (true lasting joy and peace) is found. **Matthew 5:3-12**.

While schools are critical in achieving success with some of these components, the family must lead in preparing their children in every one of them. It is in the family that learning skills and basic knowledge are first gained. It is in the family that work habits are established at an early age. It is in the family that a child is led to emotional maturity. It is in the family that the foundation of character is laid. It is in the family that the basic view of life is shaped that leads to spiritual maturity in later life. The church family must do its part to strengthen biological families in these efforts.

Like the Class of 2021, Joshua was in a transition phase of his life when God spoke to him as we read in Joshua 1:8-9. He had graduated from being the chief person under Moses' leadership as the Israelites journeyed from Egypt to the Promised Land. After Moses died, Joshua was ready to move into the position of leadership with all of its opportunities and responsibilities. He would lead Israel across the Jordan River into the Promised Land. Joshua had prepared himself by closely following God throughout his life. One example of his faith occurred about 38 years earlier. He boldly stood against the majority of the people when the spies returned from the Promised Land. When most of Israel was fearful and wanted to return to Egypt, Joshua made a bold statement that was not popular. We read in Numbers 14:8 that he told Israel, "If the Lord is pleased with us, then He will bring us into this land, and give it to us..." Now those years of serving Moses had disappeared in the rear view mirror. In the windshield were the Jordan River and the opportunity and blessings on the other side. Joshua would be successful only with God. Israel depended on him to lead them in God's way according to God's word.

What is success in post high school education? That can be determined in several ways. One way of measuring success is as follows: **Completion in minimal time with a degree that empowers you to use your natural talent and desires to build a career that serves others and glorifies God. Accomplish this while maturing emotionally and developing stronger character. Most importantly, success is accomplishing this while growing stronger in your faith in God, in your love for Him, and bringing glory to Him while you are a student.**

Homecoming 2020

Homecoming week is a special time for students, teachers, and alumni at Mobile Christian. Even with some of the traditional festivities scaled back, school spirit was on full display. The Student Government Association carefully selected dress-out days that were enjoyed by our MCS students and even some faculty members. This year's themes included Senior Citizen Day, Pajama Day, Jocks vs. Nerds Day, and Blue and Gold Day. Each day, the SGA selected the winning costumes. Continuing a unique MCS homecoming tradition, the cheerleaders and the Spirit of MCS band held a special blackout pep rally that kept everyone excited about homecoming week. This week also gave MCS the chance to honor two individuals with the Alumna of the Year Award and the Harrison Leff Heart of a Leopard Award. Beth Shelton Brooks (Class of 1986) was presented with the 2020 Alumna of the Year Award, and Genesis Patterson (Class of 2021) was presented with the 2020 Harrison Leff Heart of a Leopard Award. Each high school class selected homecoming maids to represent them in the homecoming court. Freshmen maids were Bethany Davidson and Kristen Rachel. Sophomore maids were Emma McPherson and Kylie Powell. Junior maids were Ja'Niyah Boykin and Ally Hodges. Senior maids were Caitlyn Blackwell, Genesis Patterson, and Avery Williams. The homecoming court was presented Friday morning and again during half-time. The presentation was emceed by SGA President Barton Erwin. Lauren Williamson, the 2019 homecoming queen, returned to crown **Genesis Patterson** as the 2020 queen. Genesis will serve as Mobile Christian School's first African American homecoming queen. The MCS football team defeated Jackson High School 36 to 22, which brought homecoming week to a close.

We are proud of our high school graduates. As you enter into the next exciting phase of your life, we encourage you to remember these words God spoke to Joshua. Just like Joshua, your success in life depends on your relationship with God. Will you be successful? Will you remember God's promises and commandments constantly? Will you do all that is written in God's word? The choice is yours to make. Do not forget that in your most challenging days, God is with you. Be strong and courageous and not discouraged and afraid. Constantly look to Him in Bible study and prayer. Then you will be prosperous and successful. God will give you victory in your "promised land" if you obey Him.

Teachers of the Year

Brittani Sigle was named Elementary Teacher of the

Year. Mrs. Sigle has been at MCS for 3 years She teaches 4th grade Math, Science, Spelling and Bible. She has a Bachelor's degree in Early Childhood Education from Lubbock Christian University and will complete a Master's degree from York College this summer. She has 3 children at MCS and is married to Jeremy Sigle.

She said of receiving the award, "It is hard to communicate the amount of gratitude I have for this school and the people I get to work alongside each day. I do not take that blessing for granted. In my time here, I have grown in so many ways because of the wisdom and encouragement that has been shared with me by so many people. Thank you for this honor. I am incredibly grateful and encouraged to be considered in such a way."

Britney Mitchell is the Secondary Teacher of the

Year. She teaches High School Girls Bible. She has a Bachelor's of Science degree in Psychology from the Troy University. She and her husband, Clint Mitchell have two children Lincoln and Landyn.

She said, "this award was so humbling and an honor to receive. I was blessed to attend MCS for 13 years as a student and it's even more of a

blessing being able to teach here as well as be a MCS parent. I love my girls (students), my job, and this place!"

Alumnus of The Year

The Student Government Association was pleased to announce that **Beth Brooks** was named at Homecoming as the 2020-21 Alumnus of the year. Beth is a 1986 MCS graduate and 1991 Faulkner University graduate. She is married to Jonathan Brooks and they have two sons Jon Tyler (2015) and Jacob (2019). She is often seen at football games taking pictures of players, band members and cheerleaders. She has shared countless pictures and hours of her time for MCS families. She runs Shelton Academy with her mother Janet Shelton who was a teacher here for many years. Congratulations Beth Brooks and thank you for all the support you have given MCS.

Milestones

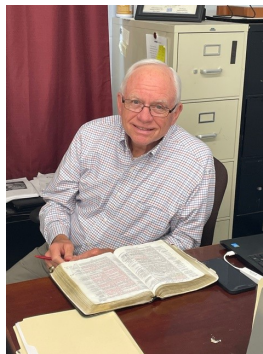

David and Sarah Pahman announced this Spring that they would be leaving to work in Bowling Green, KY at Foundation Christian Academy. They came to MCS 14 years ago and have made the school a much better place. Sarah has served as the CFO and has improved the accounting and bookkeeping immeasurably. David Pahman has served in an administrative position since arriving at MCS. He has overseen the school's accreditation by AdvancED and the National Christian Schools Association. He oversaw the school's admission into the Alabama High School Athletic Association and added college courses for credit to the curriculum (dual enrollment). He navigated the effects of Covid-19 and allowed the school to weather the pandemic and come out strong. Under his leadership there were other accomplishments and the school grew numerically and spiritually as well.

The Pahman's will be missed, but the school will continue to benefit from their work.

John and Astrid Evers came to MCS 2 years ago. Astrid served in the High School front office and Mr. Evers has served as the Middle School principal. He organized the Middle School in its own building and oversaw students with Christian guidance. The Evers will be missed. Even though they were here briefly, they have made a lasting impression on students, teachers and parents alike.

Mr. Ricky Butts is retiring at the end of this school year. Mr. Butts has taught Bible for 24 years. Mr. Butts left construction work to come and show two generations of young people the love and plan that Jesus has for them. He has served as Bible Dept chairman. He was a mentor to teachers and students and everyone will miss his daily presence.

Erin Chupek came to MCS 16 years ago and has taught elementary and middle school. She has taught middle school social studies for several years. She wanted her children to benefit from a Christian education so she has driven from Fairhope to Mobile (the Bayway twice a day!) Mrs. Chupek has sponsored the cheerleading team for several years. She will be missed. She is known for her professionalism, organization, love for children and love for God.

Homecoming Scenes

Genesis Patterson was crowned Homecoming Queen for 2020. Genesis also received the *Harrison Leff Heart of a Leopard* award which recognized her enthusiastic school spirit.

Mr. Tommy Wasden Returns as Head of School

Mr. Wasden has accepted the Head of School position replacing Mr David Pahman who has gone to Foundation Christian Academy in Bowling Green, KY. Wasden is a familiar figure at MCS where he worked for 16 years before taking the head football coach position at Faulkner University. He returns to run the school as the chief administrator. He has 28 years in education. He and his wife Kim Stocks Wasden have been married for 32 years. They have 3 children all graduates of MCS: Payton class of 2011, Gerren class of 2016 and Jordyn class of 2017. Kim Wasden is a district manager for Eisai Pharmaceuticals. Mr. Wasden said of his return, "I am blessed to return to Mobile and once again serve the MCS family. I missed our unique atmosphere greatly during my 3 year departure. I am most grateful for the warm welcome I have received upon my return."
